Thank you for your donation of \$2,500.00 from the Yarborough Applegate Attorneys at Law to The Dee Norton Lowcountry Children's Center (DNLCC). Your generous gift will help provide a brighter holiday for the children we serve at DNLCC.

Your support helps children like Karen, a twelve year old girl molested by her mother's new husband. When Karen became pregnant, she was afraid—afraid no one would believe her. But Karen found the courage to tell her mother and her mother did believe her. They came to DNLCC and found the help they both needed to deal with the trauma of the sexual abuse. Karen received a medical examination and was able to process her feelings with a therapist. Her mother found the support she needed to provide a safe home for her children.

By working with 39 community agencies, DNLCC coordinates and delivers services needed for healing to begin. Since our founding 20 years ago, we have provided services to over 19,000 children and their families, like Karen and her mother. These services include forensic interviews to establish a clear record of the concern; medical examinations to address any physical injuries and mental health assessments to treat issues associated with the abuse. DNLCC provides forensic and mental health services at no cost and works with the Medical University of South Carolina to ensure every child receives a medical examination regardless of the family's ability to pay.

Thank you for believing together we can make a positive difference in the lives of children in our community. For more information about DNLCC, please visit our website at [www.dnlcc.org](http://www.dnlcc.org).

Sincerely,

Lib Hinson, MSW, LISW, CP, AP
