Dear Mr. Yarborough:

Thank you very much for your participation in our 9th Annual Fam Jam Family Festival. Because of your generous help and support, we are proud to share that together we reached more than 2,000 children and their families, but, more importantly, we helped to combat childhood obesity through a fun, active day of play!

With more than forty sponsors and Wellness Partners, Fam Jam was a true community event, and, with the help of more than fifty Host Families, we were able to secure transportation for Title One students in the Charleston area to make sure all Lowcountry children had the opportunity to play in the giant playground of Marion Square.

As you know, the focus of Fam Jam is to get children outside for good, old-fashioned fun. There were several special moments from Saturday, but some of our favorites include children learning to surf and balance with surfset training at the Fitness Together booth, girls and boys bouncing their way across the grass in Fleet Feet Sports' races and families grooving to the sounds of the Electric Company. These experiences were made possible by supporters like you and we cannot wait until next year to provide even more activities and family fun!

Again, thank you. You have helped insure that CML will continue to spark imagination, stimulate curiosity and encourage problem solving through the power of play in families from all backgrounds with young children.

Most sincerely,
